## CLUB FEES FOR RENTING RACE EQUIPMENT AND RACE MARKETING (Non-point series races)

Springfield Road Runners Club (SRRC) rents racing equipment and will provide marketing for regional races that are not one of the club's points series races.

For a fee of \$250 race directors may rent racing equipment and market their race through the SRRC. Race equipment includes mileage signs, orange marker cones, water jugs, portable tables, and many other items. A full list is available upon request. Reservations may be requested by contacting the Race Director Liaison (2009 racing season, Linda Jones, [jones.linda@mhsil.com](mailto:jones.linda@mhsil.com), ph. (H: 217-483-7785 or daytime: 217-788-7002). The Race Director Liaison will provide directions on how to receive and return equipment housed in the SRRC Equipment Shed located on the northwest side of Springfield.

SRRC also rents its timing clock(s) for a refundable fee of \$250. The fee must be paid by separate check on the date the clock is provided for the race. If the clock is returned in working order, the original check will be returned by mail within 10 days of the return of the clock. If the clock is damaged during use, the user will be billed for any remaining amount needed to repair or replace the clock, including reasonable shipping and handling fees.

Race marketing is included in the \$250 fee. One or more of the following services is provided: placement of the registration form in the SRRC newsletter, FootTrails; placement of an article or advertisement for the race in FootTrails; link from the SRRC website to a website advertising the race; or marketing information about the race posted on the SRRC website (copy provided by the race director). The deadline to place information in the FootTrails is the 15<sup>th</sup> of the month prior to the monthly publication date. If only marketing is desired, and no equipment will be used, the fee is \$100.

Fees for the racing equipment and marketing must be paid in full when the equipment is reserved and prior to any marketing information distributed by SRRC. Requests to rent equipment will be honored on a first come first serve basis. SRRC reserves the right to edit copy or refuse publication of race information inconsistent with our club mission, values, and policies.

There is no fee to list a race on the SRRC website on the Area Events racing calendar. Requests for such listing should be addressed to: [webmaster@srcc.net](mailto:webmaster@srcc.net) and include the name of the race, location, date, starting time, and contact information. One web link is allowed for such a listing, such as, registration form, email to the race director, or link to the race website or registration.

Please make all checks payable to SRRC. Checks should be mailed to Brent Leach, Springfield Road Runners Club, 600 E. Adams Street, Springfield, IL 62701.

Chapter member of the Road Runners Club of America
